

Social and Personal

JOHN P. BRANCH, who is spending this summer at the Greenbrier White Sulphur Springs, was host at a very handsome dinner party given Saturday evening in the cafe at the White in honor of Edwin Hawley, who is also spending the summer in his cottage at that resort. This is Mr. Hawley's first season at the White, and his cottage, which has recently been completed, is one of the handsomest on the grounds. Some seventy-five guests were entertained by Mr. Branch Saturday evening, among them being Theodore Shonts, Dr. Munn and other prominent New Yorkers, who are now at the White.

The dinner was served in the cafe, which was decorated with palms and lots of lovely red flowers for the occasion. The table was arranged with long flat plaques of crimson roses and the lights were shaded in silver and red.

Traveling Abroad.

Mrs. Lancaster, Miss Kitty Lancaster, Misses Mary and Ellen Ball, who have been absent in Europe all summer traveling with a party of friends, are now in Germany. They have recently been in Paris, and after a trip down the Rhine and a visit to Heidelberg will go to Lucerne. They expect to return to Virginia some time late in the fall.

Entertainment at Jefferson Park.

One of the prettiest affairs of the season at Jefferson Park Hotel, near Charlottesville, was a card party given on Friday of last week. Five tables were engaged and five hundred was the game. Those playing were Miss Wando and the Misses Perry, of Washington; Mrs. Metcalf and Mrs. Foster, of Richmond; Mrs. Elsie Hinton, of Petersburg; Mrs. L. E. Sutton, of Petersburg; Misses Turpin and Miss Glover, of Macon, Ga.; Mrs. Young and daughter, of Macon, Ga.; Mrs. Moody and Misses Lawson, of Portsmouth; Mrs. John Hart, of Portsmouth; Misses Amanda and Dolly Veal, of Charlottesville. The color scheme was white and green, and the highest score was made by Miss Elsie Young, of Smithfield, who was awarded a handsome book as first prize. Miss Violet Lawson won the second prize, a light-colored bottle, and Miss Amanda Veal won the trophy. Mrs. Elsie Hinton, of Petersburg, drew the consolation.

A very attractive hon was given in Suffolk Friday evening by some of the young men of that place. Among those dancing were Misses Bruce and Louise Parker, of Richmond; Miss Genevieve Balance, of Portsmouth; Misses Salie and Laura Twitty, Misses Martha and Ethel Jones, Miss Le Clair King, Miss Nannie Whitting, Miss Cora Gardner, Miss Lizzie Smith, Miss Marion Atkinson, Miss Phoebe Artman.

Mr. Watson is a son of Mr. and Mrs. Walter D. Watson, and is prominently connected in Richmond and throughout the State. Mr. Watson and his bride will make their home in Osceola, Ark., where he is secretary and treasurer of a large lumber plant on the Mississippi river.

Card Parties.
Mrs. Cipriano Andrade, of New York, who is spending some time at Goshen, was the hostess of a charming card party on Tuesday evening in honor of Miss Bettie Clarke, of Richmond. The large parlor was converted into a woodland by means of huge arched boughs of ferns, which were hung from the central chandeliers to those in each corner, and banked on the mantels in the fireplace, and on the piano set like stars in the midst were white snowballs and hydrangeas, making a lovely effect.

The hostess wore a pompadour crepe de chine with a garniture of pearls and silver, and Miss Clarke wore a black spangled lace robe with a bertha of rose point lace. The guests were entertained with bridge and "500," and a number of prizes were distributed. For the women playing bridge the first prize was a miniature spangled fan, won by Mrs. Norton Savage, of Richmond, and the next prize, a crocheted scarf, was won by Miss Marie Wavelle, of Jacksonville. Mrs. W. Owen, of Washington, was consoled with a set of Japanese memory bells.

The old Saunders home-stand, near Rocky Mount, was the scene of a charming bridge party Friday from 4 to 6, with Mrs. William H. Saunders, hostess, and the following guests: Mrs. John R. Guerrant and Mrs. S. S. Guerrant, of Charlottesville; Mrs. Alfred Frances, of Norfolk; Misses Alice and Agatha Saunders, of Bleak Hill; Miss Mary Saunders, of Evinston; Mrs. H. W. Saunders, Mrs. C. B. Willis, Mrs. T. Greer, Mrs. Harman Moseley and Mr. Edward Saunders, Jr., of Rocky Mount; Mr. Clark, of Richmond; Mrs. Montgomery, Misses Nannie and Ella Mont. Somers.

Boy's Body Terribly Mangled.

Renewing Complexions By Absorption

If your complexion is marred with blotches, moth patches, pimples or freckles, it's useless to put on powders and paints, lotions, creams and things, in an effort to get rid of the trouble. Unless you have some ability as an artist you'll mar your appearance still more.

The new and rational way is to take off the complexion itself, with all its offensive matter. Just get an ounce of pure mercurized wax at the drug-gist's and use at night same as cold cream. Remove next morning with water and soap, following with dash of cold water. The mercurized wax absorbs the half-dead skin in flaky particles so gradually no one guesses you're treating your face—unless it be by the result, which is truly wonderful. There's nothing else for restoring a natural, healthy and beautiful complexion.—Aunt Sally.

NINETY-ONEST AND LAST EXAMINATION

Class Largest on Record Before North Carolina Supreme Court.

[Special to The Times-Dispatch.]
Raleigh, N. C., August 28.—Ninety-one applicants for licenses to practice law undertook the examinations to-day before the North Carolina Supreme Court, which convened for the fall term. There is one woman, Mrs. Frye, of Bryson City, and there are four negroes. There are eleven more applicants than ever applied at the opening of any term of the court in the past. All of to-day was given over to these examinations. The court will call appeals from the First District for argument for Tuesday morning with thirty-five cases on the docket that will take all the week, and then numbers of the cases may have to go to the end of the docket, on account of not being reached.

The Governor and Council of State, in conference to-day, authorized the State Treasurer to borrow \$250,000 that was provided for by the last Legislature, to meet the needs of the State's current expenses pending the adjustment of State taxes, unassessments. Generally the railroad and other corporation taxes come in during July, but the certificates from the Corporation Commission are delayed. This necessitates the borrowing of the \$250,000 at this time.

The body of the nine-year-old son of Eugene Rogers, an employee of the Mutual Publishing Company, was brought here to-day from Fern Shools, where he was drowned. He was there spending a while with his aunt and wandered away from the pond. His body was found later in the pond.

Holliness Meeting Closes.
[Special to The Times-Dispatch.]
Spotsylvania, Va., August 28.—The Spotsylvania Holliness Association, after a meeting lasting ten days, closed last night. The preaching was done

by Rev. Mrs. Beale Larkin, of Philadelphia, one of the most eloquent female preachers in America. At a meeting of the Spotsylvania Telephone Company recently held, it was resolved to pay a special tax (extra of the usual phone rent) of 5 cents on all messages sent by the phone renters to Fredericksburg. This has provoked great resentment.

SUFFOLK MAYOR RECEIVES THREATENING LETTER

[Special to The Times-Dispatch.]
Suffolk, Va., August 28.—Mayor John B. Norfleet to-day received from Rome, a letter apparently prompted by "Black Hand" or Comorra influences. There were threats of death against himself, friends and associates. The Mayor is slightly disturbed. The weird warnings are believed to have been promulgated by some society, one of whose members may have been convicted in the court over which the Mayor presided. He knows of no other reason.

The widow of Mr. Selph also retains an interest in the policy, and is thus involved in the suit.

Hinkle—Segar.
[Special to The Times-Dispatch.]
Fredericksburg, Va., August 28.—J. Homer Hinkle, of Ardmore, Okla., and Miss Agnes Segar, daughter of Mr. and Mrs. John C. Segar, were married to-day at noon at "Rockland," the home of the bride, Rev. John London performing the ceremony. There were no attendants. Mr. and Mrs. Hinkle left immediately for their future home at Ardmore, Oklahoma.

The points sought to be made by Mr. Jones regarding the ship subsidy, the union station, Washington transfers and the Lorimer contract, he simply declared to be lies—"the same old rot for the most part, which I have answered before."

He referred to the remarks made by Mr. Jones regarding the subversive activity of the Governor, the Legislature, the Judiciary and all the officeholders to himself as the reputed head of the alleged machine in Virginia.

Senator Martin was introduced by Judge George L. Christian, who said that he had voted three times for William Jennings Bryan, but hoped he would have to do so no more. He had opposed Mr. Martin in his first race, but knew him better now, and knew that he had made good.

When the Senator arose to begin his speech, scores of the audience arose and cheered vigorously for some minutes. This was repeated twice during the meeting. When Senator Martin began his speech, scores of the audience arose and cheered vigorously for some minutes. This was repeated twice during the meeting.

(Note.—Senator Martin's address in full will be found on pages 6 and 7.)

TRIAL MAY BE POSTPONED.
C. James Rixey, indicted Banker, Continued Seriously Ill.

Alexandria, Va., August 28.—The condition of C. James Rixey, former head of the Virginia Safe Deposit and Trust Corporation, against whom eight indictments are pending in connection with the collapse of that institution, is said to be so serious that it is regarded as improbable that he will be tried September 18 next, the date set for the hearing. Rixey's case will be called, however, and it is thought a postponement may be granted in the event his condition demands it.

A court attaché said to-day he had heard that the condition of Mr. Rixey is no better than it was when he was arraigned in the Corporation Court here. Rixey is said to be on a farm in Virginia with relatives.

McDONALD LEE SUFFERS FROM TROUBLE WITH EYES
[Special to The Times-Dispatch.]
Ivinsville, Va., August 28.—McDonald Lee, chairman of the State Board of Fisheries, recently has suffered a great deal of trouble with his eyes and for a while he has been almost totally incapacitated. He is now under the constant attention of an oculist, who attributes the trouble to excessive use of his eyes during the past two months. The specialist has ordered Mr. Lee to desist from all reading and writing, and he is assured that a complete rest will afford him relief and improvement.

Police After "Joe Greasy."
The police are searching for a negro known as "Joe Greasy," who assaulted and seriously injured Robert Johnson, colored, while he was working at the City Police station last night about 7 o'clock with an ax, and above the right eye, it is necessary for the City Police to treat it. The assailant had not been arrested at an early hour this morning.

Arrests Last Night.
For assaulting Tobias Crawford, Richard Crawford was arrested last night. Nattie Harris was taken in charge of assaulting Eliza Cluff, while a counter-warrant charged the latter with using abusive language to Nattie. Rosa Robinson was taken in custody on a charge of obtaining \$4 in currency under false pretenses from J. W. Wells.

Says He Stolen Fifteen Melons.
Robert Pearson, colored, was arrested last night and taken to the City Police station, where a charge of stealing fifteen watermelons had been preferred by William Dandrige.

Crap Players Fined.
Thomas Johnson, Andrew Johnson, H. Cooper and William Robinson, all colored, indicted in an impromptu game of "crap" in a vacant house in Woodville early Sunday morning, and were fined \$250 each and costs Saturday by Judge T. J. Puryear. Ten others were arrested with the players in the same raid, but they proved their non-participation in the game and were discharged.
